**The front  
cover picture**

Study this picture carefully. It is unusual because it shows an International grand champion female with her first two calves, both born before she was three years old. This is the 1954 champion Edellyn Clarabelle 3rd. Her yearling son, by Edellyn Choice Mercury, was born in March, 1956. Her latest bull calf, by Edellyn Bunker Mercury, was born in March, 1957. You'll see both calves at the shows.

The former was one of the greatest show animals of her day and a full sister to such famous show animals as Edellyn Royal Leader 114th and Edellyn Bonny Rothes 5th. The latter sells in this sale as Lot 33.

A careful study of the pedigrees in this catalog is vital to any person who has the desire to breed better Shorthorns. The female families that produced these cattle are noted for their prolificacy and dependability. The bulls that sired these cattle are famous wherever Shorthorns are known. Those who buy the superior individuals that make up this sale offering may feel certain that greater recognition will come their way . . . for these are the kind of cattle that will lift any breeder out of the ranks of the ordinary.

Six beautiful daughters of Beaufort Bulldozer are shown in this picture with Balbithan Emperor, another great Edellyn herd sire. All of these heifers will sell in this sale.

*Our  
32nd  
Annual Sale*

We extend a cordial invitation to all Shorthorn lovers to join us at Edellyn Farms on the occasion of our 32nd Annual Sale. Again we intend to divide with you the best of our yearly productions.

We rejoice with breeders everywhere in the continuous improvement of our breed as evidenced by the strong shows of recent years and the winnings of Shorthorns in interbreed competition. Thousands of people have witnessed these victories and have concluded that Shorthorns can do anything that any other breed can do and DO IT BETTER.

We are proud that Edellyn bred bulls and females have played such an important part in this improvement. It is a matter of great satisfaction to us to note that wherever you travel you will find Edellyn blood making a definite contribution to better type, better quality and more liberal incomes.

We hope you will honor us with your attendance at the sale on June 3rd and that you may feel inclined to follow the lead of many hundreds of other Shorthorn breeders who have found success through the use of Edellyn blood. We urge you to try to arrive on the day prior to the sale so that an inspection of the herd will be possible and so that we may have a better opportunity to become acquainted with you.

*Thos. E. Wilson*

Rich in pedigree and promise are the beautiful heifers at Edellyn Farms. Three of these went back into the herd as replacements. Perfectly molded, they can be expected to carry on the high breeding standards of this great herd. The white heifer is now owned by Vaughn Moore, Lenox, Iowa.

**What you look for in champions you have always been able to find in Edellyn Shorthorns. The lasting potency, the stability that improving blood can give are wrapped up in their pedigrees and their hides.**

*From cows like these came the Edellyn improvers*

About the picture on this page—Wonderful cows, aren't they? Calves out of or descendants of all of them are included in this sale. From left to right, the sires of these cows are: Crugleton Prince Bob, Edellyn Royal Leader 114th, OAC Ransom 23rd, Edellyn Royal Leader, Crugleton Brunell, Crugleton Annex, Calrossie Mercury, Mill-hills champion and Naemoor Immaculate.

**Nowhere can you find

**E D E L L Y N  
F A R M S . . .**

Groups like this may be found in every pasture at Edellyn. At the left is Edellyn Clarabelle 3rd, the daughter of Beaufort Bulldozer that won the junior and grand championship of the 1954 International. Her red bull calf is by the many times grand champion Edellyn Banker Mercury. In the center is Edellyn Clipper 55th. Both she and her sire, Edellyn Royal Leader 114th, were famous champions. She is the dam of Lot 16 in this sale and her present calf, the red heifer beside her, is by Beaufort Bulldozer. The cow on the right is Anoka Augusta 102nd by the International grand champion Scotsdale Bombardier and her red bull calf is by Edellyn Broadarrow, the bull that sells as Lot 1 in this sale. She is also the dam of Lot 17 in this sale and the granddam of Greenwood Bulldozer, Dave Graham's great junior herd bull.

## *Leadership . . .*

Webster defines the word leadership as "one who occupies, or is fitted to occupy, the first or chief place." Not one of us in the Shorthorn fraternity will deny that the place belongs to Edellyn. All of us join willingly in acknowledging our debt of gratitude to Thos. E. Wilson, the man who has made possible such an unfailing source of seed stock supply.

Once each year for a third of a century we have all been invited to Edellyn to study this great Shorthorn herd and to appraise the year's productions. Because of the inward feeling of pride we all hold toward this herd, we have viewed the Edellyn operation through critical eyes, ready to find fault if there was the slightest reason. Always we have left with the feeling that progress at Edellyn is constant.

"Where can I buy with the greatest measure of safety?" It is the question one hears most frequently. There are many such places but chief among them is Edellyn because in this great herd the ability to perform properly is BRED INTO EACH ANIMAL. It is through years of skillful matings that the outstanding cattle described in this catalog have been produced. In my opinion the 1957 sale offering is better than any that has preceded it.

**HAL LONGLEY**  
of the Shorthorn World

Left—Edellyn Lincoln Mercury, the son of Edellyn Banker Mercury that was purchased by Rasmussen Bros., Goldfield, Iowa, at \$3,500, top price of the 1956 Edellyn Sale. The Rasmussens have used five Edellyn bulls in their great herd.

Right—Edellyn Prig Mercury, the son of Edellyn All-Star Mercury that was purchased by R. E. Smith, Houston, Texas, at \$15,000 in the 1953 Edellyn Sale. This bull won first prize at both the International and American Royal as a senior bull calf.

**What sort of people own Edellyn Bulls?** Over four hundred of them have been sold through the thirty-two annual Edellyn auctions. The records of these bulls would fill a Shorthorn history, a history that could serve as the breed's best guide to the most dependable sources of supply for approved seed stock. Not all of them have gone to big breeders who have learned from experience that Edellyn bulls keep them at the top. Over half of them have gone to small breeders who are on their way to the top and to ranchers and farmers who know that Edellyn bulls will pay for themselves through premium prices when the calves go to market. Always they are bought by cattlemen who know the score . . . men who are alert to the value of inheritance and who refuse to be satisfied with the ordinary.

As the years roll on, even greater security goes along with each Edellyn bull. The lines of blood that brought about such consistent breed improvement ten, fifteen and twenty years ago are still there . . . but new blood has been added to make today's Edellyn bulls better in quality, surer in performance. There is no substitute for experience in the breeding of improved live stock. The fifteen bulls to be offered in the 1957 Edellyn Sale, featuring blends of the blood of Beaufort Bulldozer, Balbithan Emperor, Calrossie Mercury and Edellyn Royal Leader, provide greater assurance than ever before of top quality in the herds of those far-sighted breeders who will use them.

This picture has appeared before but we are repeating it because it provides such a perfect example of Edellyn prolificacy and performance. At the extreme right is Calrossie Clipper Pet by Kirkton Baronet. Next to her is her daughter Edellyn Clipper 48th by Millhills Champion. Then comes Edellyn Clipper 55th, the dam of Lot 16 in this sale. At the extreme left is Edellyn Royal Leader 190th, purchased by Carl D. McKenzie, Armington, Illinois, in the 1955 Edellyn Sale. The last two named are both out of Edellyn Clipper 48th.

## His Name Extends Around the World

### BEAUFORT BULLDOZER Founding another new dynasty at Edellyn

Seven sons sold at auction in Scotland have averaged \$7,900.

His first son calved in North America was the 1954 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1954 International grand champion female.

Two of his daughters won the grand and reserve grand champion-

ships at the 1956 Denver Show and three of his sons stood first, second and third in strong classes.

His first calves born in America were offered in the 1956 Edellyn Sale where fourteen sons and daughters averaged \$1,406. Fourteen more, better than ever in quality, will be offered in the 1957 Edellyn Sale. Be there. Own your share of the breed's most improving blood!

**BEAUFORT BULLDOZER**—One of the greatest living sires of the Shorthorn breed. He was purchased for \$15,000 from the famous Beaufort herd, where he was used for one season before being shipped to the Edellyn and Almahurst herds. His sons head leading herds in Argentina, South Africa, Australia, and Scotland. Among his most famous sons are Beaufort Brisket, sold to Australia for \$10,800; Beaufort Brave Baron, sold to the Argentine for \$10,200; Beaufort Commodore, withdrawn at \$17,700 from the Perth sale for use at Beaufort; Beaufort Chavelier sold to the Aldie herd for \$8700. His seven sons sold at auction in Scotland have averaged \$7900. At the Royal Highland, Scotland's leading Shorthorn show, a son won the junior championship, while a son and a daughter won the British cup for the best pair.

His first son born in America, Ringwell Lodestar, as a junior bull calf, won the grand and supreme championship of the 1954 International. His first daughter born in America Edellyn Clara Belle 3d, as a junior calf, won the grand championship of the 1954 International. These were the only two calves old enough to show.

In 1956 the sons, daughters, grandsons and granddaughters of Beaufort Bulldozer continued to add lustre to his reputation.

Fourteen sons and daughters averaged \$1,406 in the Edellyn Sale. Edellyn Dorothy 34th was sold privately to Mr. and Mrs. Coleman for \$5,000. Another daughter sold to Lynnwood Farms for \$5,500 by public auction, this being the top price female in North America in 1956. At the Royal Highland Show in Scotland (the leading Shorthorn show of the year), his son Beaufort Commodore was senior and grand champion bull, while his grandson Beaufort Captive was junior champion. Another son was champion and top selling bull at the Kentucky Futurity Show, another grandson was the Chicago International Congress champion bull. At the Brisbane Royal Show in Australia a granddaughter was champion polled female. In 1957 at the great Perth show in Scotland two grandsons were shown winning first and third prizes in class and sold for \$3,300 and \$12,000. The females retained by him at Edellyn and Almahurst are wonderful cows and breeding very well.

**Balbithan Emperor** was purchased at the 1955 Perth Sale. He was selected not only for his great individuality and character, but because his background contains many of Scotland's best breeding cattle and recent show winners. Furthermore, there is a close tie-in with the breeding of Beaufort Bulldozer.

Balbithan Bon-Accord was retained as a herd bull by Mr. Stott, being an outstanding son of Cruggleton Bonn, full brother to Cruggleton Pentland Firth, sire of Beaufort Bulldozer. Balbithan Bon-Accord was first and reserve champion of the 1953 Royal Highland show. His dam, Millhills Golden Bud 4th was the reserve champion female at Perth in 1949. She was the first cow purchased by Mr. Stott, for what is now recognized as one of Scotland's most select herds. In 1951 he exhibited her bull calf to the Perth Supreme championship and it sold for 3,000 gns. to Australia. Her bull calf in 1950 made 4,000 gns. going to the Argentine.

Balbithan Emperor has developed wonderfully since coming to Edellyn and we want you to be sure and see him. You will be especially impressed with his character and great head. His calves have developed beautifully and we are very delighted with them. We have used him extensively in 1956 and shown in natural condition he stood second in class to the senior and grand champion bull at the International Livestock Show in Chicago (only time shown). At the 1957 Perth Show and Sale in Scotland two three-quarter brothers won first in class, junior and reserve grand championships.

**Edellyn Banker Mercury**—He is now back in service at Edellyn and we are glad of it. We sold him in the 1954 sale at \$3,150 to Raymond Stewart, Dover, Kentucky. Later that year he won grand championships at the Illinois and Iowa State Fairs and at the American Royal. Because his sire has made such an excellent record at Edellyn and because his imported dam is one of the best cows of the breed, we jumped at the chance to get him back when Raymond Stewart offered to sell him. He is a half brother to such famous animals as Edellyn Prig Mercury that sold at \$15,000 to R. E. Smith of Texas, Edellyn Choice Mercury that sold at \$7,000, top price of the 1955 Edellyn sale, to R. Y. Secord & Son of Alberta, Edellyn Rosewood 65th, the \$10,000 heifer that sold to Almahurst farm of Kentucky and many others. We have great confidence in Edellyn Banker Mercury and we have many calves to justify our confidence. It has been our great effort during the past few years to hold back in our herd as many Mercury females as possible in order to retain the great quality and fleshing ability of this line. Because of this fact, we feel we are really sacrificing to include four beautiful daughters of Edellyn Banker Mercury in this sale.

**Louada Grand Duke**—We liked the style, character and type of this bull the minute we saw him and when we found his dam in the Louada pasture, we knew we wanted him at Edellyn. In the opinion of many experts, Millhills Secret 10th is the best cow at Louada and this is saying a good deal. She is a daughter of Ascreavie Democrat and was purchased by Louada at \$3,600, top price of the Birmingham Farms' sale. Louada Grand Duke had all the earmarks of a sire when we bought him and everything in his ancestry seemed to guarantee that he would be one. When you see his calves on sale day, we are sure you will agree that our judgement was right. Several heifers in this sale are carrying his service.

**Bapton Craftsman**—This is the latest addition to the Edellyn herd bull battery. He was purchased at the 1957 Perth Sale in Scotland. He is a full brother to Bapton Captivator, purchased at 3,800 guineas in the 1956 Perth Sale by William MacGillivray of Glastullich, and is a half brother to Bapton Constructor, owned by Louada Manor Farms, both being sons of Calrossie Constellation. Bapton Craftsman is now at the Canadian Quarantine Station and we hope he will arrive in time for you to see him on sale day. We believe you will agree that he has all the earmarks of a future great sire.

## and here are six more Edellyn improvers that have

Left—Edellyn All-Star Mercury has sired many of the best calves ever produced at Edellyn, all exceptional in scale, substance, bone and good heads. He was grand champion, 1948 Iowa State Fair; first at Illinois, Indiana and American Royal. By Calrossie Mercury. Twenty-four of his sons and daughters have sold for an average of \$2,666. This group included many first prize and championship winners.

Right—Edellyn Choice Mercury. At the 1954 shows he was first at Iowa; first and reserve junior champion, American Royal; and third in class of 24 at the International. Sire, Edellyn All-Star Mercury. He was purchased in the 1955 Edellyn sale by R. Y. Secord & Son, Winterburn, Alberta, at \$7,000, top price of the sale. Edellyn Choice Mercury sired eight calves at Edellyn out of which came the third prize junior get-of-sire at the 1956 International. Two of his sons and four daughters sell in this sale.

Edellyn Royal Leader 149th—This is the bull that we elected to use in order to carry on the Edellyn Royal Leader line. The "149th" is an excellent individual with an impressive show record. He was the grand champion bull at the 1952 Wisconsin State Fair and his sire, Edellyn Royal Leader 23rd, winner of a score of championships at major shows, was easily the greatest son of Edellyn Royal Leader. Five calves by him will sell in this sale.

## **influenced the quality of this sale offering**

Left—Cruggleton Guthrie is now dead and his sons and daughters are being carefully guarded. Sired by a grandson of Cruggleton Perfect, he was linebred in the blood of one of Scotland's all-time great sires. His calves have made a great record in Scotland, Argentina and the United States. His first son sold at auction brought \$13,200 at Perth. Three calves by him sell in this sale and these will be the last to be offered.

Right—Glastullich Crusader was purchased at the 1957 Perth Sale for service in the herds at Fontana Farms and Edellyn Farms. He is by Calrossie Hyperbole, sire of the 1956 Perth Supreme Champion, he by the noted Calrossie Welcome. His dam, a daughter of Kirkton Baronet, is a uterine sister to Glastullich Fortress, sire of a Perth champion.

Left—Edellyn Brave Knight, the son of Beaufort Bulldozer that we have picked for service at Edellyn. His dam, Bantaskin Secret 13th by Balthayock Grand National, is one of the great cows of the breed.

Edellyn Broadarrow

**Edellyn Broadarrow**

This bull has been used extensively in the Edellyn herd. He won first prize as a senior calf at the 1955 Wisconsin State Fair and second prize at the 1956 Denver show. He returned to the Wisconsin State Fair in 1956 to win senior championship as a senior yearling. His dam, one of our best cows, is also the dam of Lot 5. Her only daughter has been retained.

# *In Polled Shorthorns, too . . .*

the introduction of Edellyn blood has resulted  
in top show winners.

This is Carona Fascination x, a direct descendant of Edellyn breeding through his famous sire Cherry Hill Royal Oak x by Edellyn Royal Leader 2nd. He is owned by Lynnwood Farm, Carmel, Indiana. Carona Fascination x, or his sons, sired the individuals which won six championships, 12 firsts, four seconds and five thirds in the 1956 International Polled Shorthorn Show. Included in these winnings were two firsts, two seconds, a third and a fourth in the get-of-sire classes. He was most certainly the "Sire of Distinction" at the 1956 International. At the 1955 International, the two top-placing ten head groups, owned by Lynnwood Farms and Glatwyn Farms, contained a total of 16 head that all traced directly to Edellyn breeding.

**Each year we are happy to see at the Edellyn sale an increased number of Polled Shorthorn breeders. They have purchased a number of our top animals. Study the top sale and show winnings and see how many of the best Polled Shorthorns descend from cattle purchased at Edellyn by progressive Polled Shorthorn breeders.**

Edellyn Clara Belle 3rd, bred and owned by Edellyn Farms, grand champion female, and Ringwell Lonestar, bred and owned by Ringwell Farms, grand champion bull of the 1954 International. Both sired by Beaufort Bulldozer.

And the evidence continues to pile up . . . providing conclusive proof that Beaufort Bulldozer is the sire of the day. The two daughters shown in the picture at the right won the grand championship and the reserve grand championship at the 1956 National Western Livestock Show in Denver. At the left manager Fred McWilliam of Edellyn Farms holds Fontana Clipper 2nd, the grand champion exhibited by Joseph Zuro, Fontana, Wisconsin. At the right, Harry Ackerman, veteran herdsman at Edellyn Farms, holds Edellyn Dorothy 34th, the reserve grand champion exhibited by Edellyn Farms. In the background are Allan C. Atlasson, secretary, and Major H. H. Allen, past president of the American Shorthorn Breeders' Association. The get and service of Beaufort Bulldozer will be a feature of this sale.

Everyone agreed that the Shorthorn Show at the 1954 International was the strongest in the history of the breed . . . and working their way to the top were the first two calves sired by Beaufort Bulldozer that were born in this country. Nothing could stop them. The bull was named grand champion and Supreme Champion of the show. The heifer went on to win the female grand championship. Never before have a son and daughter of the same sire, both junior calves, won BOTH championships at the great International Live Stock Exposition.

Edellyn Jilt 16th, first prize winner at the 1956 International. She is a daughter of Edellyn Choice Mercury, the great sire that was purchased in the 1955 Edellyn Sale at \$7,000 by R. Y. Secord & Son, Winterburn, Alberta.

Edellyn Princess Bobbie by Edellyn Royal Leader 114th. Senior champion Wisconsin and Illinois and reserve grand champion Illinois in 1956. Reserve senior champion American Royal 1956 and Denver 1957.

There is one name that stands out alone in the hearts and minds of thousands of careful Shorthorn breeders. That name is

## EDELLYN

Each passing year serves to increase this reputation. You will know why when you follow the lead of others who are making use of Edellyn bloodlines.

Fontana Fanfare by Beaufort Bulldozer. Junior herd bull at Fontana Farms, Wisconsin, owned by Joseph Zuro.

Greenwood Bulldozer by Beaufort Bulldozer. Junior herd bull at Greenwood Farms, Ohio, owned by David S. Graham.

Above—Almahurst Clipper 2nd by Beaufort Bulldozer. Top female in the 1956 Edellyn Sale at \$5,500. Purchased by Lynnwood Farms, Carmel, Indiana.

### Sets New Shorthorn Top In The Argentines

Balbithan Byword, a son of Balbithan Bon-Accord and a half brother to Balbithan Emperor, the new herd sire at Edellyn Farms, Wilson, Illinois, recently set a new record top for a Shorthorn in Argentina. The price was 350,000 pesos or \$19,600.

Byword was a second-prize bull in the January class at the 1956 Perth Sale where he sold to James Schofield for 320 guineas (\$960). He is out of a dam by Beaufort Benbow.

Right—Almahurst Augusta 3rd by Beaufort Bulldozer. Purchased by Vaughn Moore, Lenox, Iowa, in the 1956 Edellyn Sale at \$1,300.

Left—Almahurst Barmpton Leaf 3rd by Beaufort Bulldozer. Purchased by Avenel Farms, Bethesda, Maryland, in the 1956 Edellyn Sale at \$1,500.

We hope you will arrive a day ahead of the sale for a closer inspection of the great Edellyn Herd.

**Edellyn practices calfhood vaccination regularly, hence no mention is made of this fact in the individual descriptions appearing in this catalog.**

Edellyn Clara Belle 4th

*A three-quarter sister to  
an International grand  
champion female*

**Edellyn Clara Belle 4th**

A three-quarter sister to the 1954 International grand champion female, Edellyn Clara Belle 3rd. This beautifully balanced heifer could be the bargain of the sale. Her sire, the \$2,000 Edellyn Braemor by Beaufort Bulldozer, heads the Reusser herd, Mulvane, Kansas. This is one of the youngest and one of the best heifers in the sale. She sells open.

This is one of the better females in the sale, full of style and character, and with a pedigree to match. Her sire, Drummondreach Advocate, was Clint Tomson's Perth champion in 1953 and is now heading the strong Ashbourne herd in Kentucky. Note that her dam is an imported cow by the great Bapton Principal. She sells open.

Edellyn Augusta 60th

**Edellyn Augusta 60th**

A combination of the blood of Calrossie Mercury, Kirkton Baronet and Cruggleton Perfect makes this an extremely valuable foundation female. This very breedy heifer will sell with a breeding privilege to the bull of the purchaser's choice.
